Nero Wolfe Book Discussion Group in Baltimore-Annapolis
Mid-Atlantic and Chesapeake Area Book Raceme*
 (“MACABRe”)

*Are "satisfactory" and "pfui" two of your favorite words?
 Would you rather put vinegar on things than use "contact" as a verb?*

If you answered “yes”, then read on. Join us as the Mid-Atlantic raceme of The Wolfe Pack expands its reach to Nero Wolfe fans in greater Annapolis! (We continue to delight readers of the corpus who live in or near Charm City.) **We meet next on Saturday, June 25 in Baltimore at The Mt. Washington Tavern.** Generally MACABRe meets on the fourth Saturday of even-numbered months except we do not meet during the month of December. Discussions start at 11:30 and include lunch with separate check by request. All book discussions will cover the additional 40+ books in “the corpus” (body of work). Our 2016 schedule is as follows:

<u>Murder by the Book</u>	6/25/2016 (Baltimore , at Mt. Washington Tavern; 11:30 - 1:30)
